A-Course Approval prior to departure

I have received a list of courses available during my term abroad and I have secured approval of my courses from the appropriate academic advisor(s) on page 2 of this form.

I have read the Academic Policies section of the Study Abroad Guidelines and understand that non-compliance with all relevant policies (course duplicates, earning less than C in a course, taking a course less than 3 credits) may result in a loss of credit. I will inform the ISAP Office and my academic advisors of any course changes during my term abroad.

Fordham College students must have their Major and/or Minor Department approve the courses they intend to use to satisfy Major and/or Minor requirements. Gabelli School of Business students should have their class dean approve the courses they intend to take while abroad. The ISAP Director will review and approve courses to be taken abroad as electives.

I approve this student's plan of study as appropriate toward our degree and approve the course substitutions I've initialed for major, minor, or core credit upon his/her successful completion of the program and return to Fordham.
